Helping Gipping Riding Society

It is a condition of membership that all members of GRS help the club in some way. This is because Gipping Riding Society is committed to being a welcoming and active organisation, which offers wide-ranging events. By participating as a volunteer, members are able to significantly contribute to the club's successes. You will be contacted with regards to helping and expected to help at least once during the year.

Please indicate areas that you are particularly interested helping with:

Team & Inter- Club Events

Being affiliated to British Riding Club means Gipping Riding Society are eligible to enter members (junior and senior) as either individuals or as part of a team, at BRC Area 14 competitions. Clubs that qualify at area events then have the opportunity to compete at the National Riding Club Championships.

Area competitions offer members a chance to represent the club in a more competitive, but supportive, context. The club welcomes any member to join teams, or compete as an individual – there is no “try out” or selection process. GRS views inter-club competitions as an extension of its ethos of having a go and enjoyment through riding.

Currently the club’s bank balance allows GRS to cover all entry fees and hopefully this situation will continue!

If you are interested in representing GRS in competitions, please complete this box.
